Perfect for kitchen splashbacks and bench tops, bathroom feature walls, architectural features and entry foyers, they are resilient and easy to maintain.

Walshs Granospan

This innovative alternative to granite and laminates is a decorative silk screened toughened glass. Its coating of coloured ceramic paint does not crack, fade or peel and the non-porous surface is impervious to weathering and UV radiation. With a range of 10 designs its popular for use in wet areas it is an ideal alternative for vanity tops, bench tops and splashbacks.

Walshs Colourspan

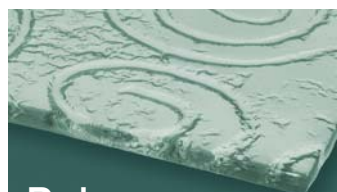

This toughened silk screened decorative glass with its high gloss smooth finish delights the eye as it captures reflections. The ceramic finish does not fade and is resistant to UV radiation and the most extreme climatic conditions.

Real clarity of vision

Walshs Starphire Glass is an ultra clear glass perfect for providing sophisticated elegance and clarity to lobbies and reception areas.

Available in thicknesses from 6mm up to 10mm, Starphire eliminates the green tinge of standard glass bringing more than 7% higher visible light transmittance.
